### Description

Ningbo Jinteng Bee Co., Ltd. was founded at 2003, it is a company integrates with bee products and Bee beekeeping tools. It's a Sino-Korea joint venture company, and has been entitled to engage in the export business. Jinteng Bee works with a beekeepers combination. All the beekeepers working at our cooperate apiaries get decades of beekeeping experience. The company regularly forwards them with the newest knowledge about honeybees, honey sources, organic products, and improves the communicating about self-attainments between apiarists.
