- (1:00 p.m - 6:00 p.m.)

Description

For.Tec. is an Italian Company with 40 years of experience designing, manufacturing, selling and installing a full range of incinerators for almost every type of waste, crematories and industrial ovens. Our production includes: Incinerators for animal carcasses and slaughterhouse waste, for medical and general waste and thermal-stripping pyrolytic ovens. Our technicians daily perform analysis of customers' specifications, feasibility studies, customized designs and after-sales services.
